HAPPY NEW YEAR

Hello Everyone!

Welcome Back & Happy New Year!

In school this week & next we are learning about the importance of staying clean. We are counting groups that have up to ten objects. We are also meeting Ms. Y and learning about her letter & sound.

We will also begin reviewing and assessing the information learned throughout Theme 4. I will send home assessments once completed.

I will not send home a Newsletter next week since this and next week's plans will be combined.

As always, please don't hesitate to contact me if you need anything.

God Bless,
Mrs. Thompson
