## THE Reading CORNER

OUR BOOKS THIS WEEK

## How do we get along with others at school?

Hello Everyone,

This week we are learning about how to get along with others. We are also learning about Jesus' disciples and how we are called to be friends of Jesus too.

We are copying patterns and creating our own patterns. We are also meeting our first "Letter Friend," Mr. N, and learning all about his letter and sound.

Keep and eye out for the "Meet and Greet Cards" the "Take Home Books" and the "Religion Leaflets" that will be sent home weekly in your child's bag. These resources will provide you with some connection and additional activities that you can do at home to support your child's learning at school.

As always, thank you for all that you do. We are having so much fun!

God Bless,  
Mrs. Thompson
